David Freyre is a New York City-based singer-songwriter, arranger, and percussionist. He has performed on the nation's most prominent stages, such as the United Nations, SOB's, Metropolitan Room NYC, Williamsburg Music Hall, Highline Ballroom, Hartford Jazz Festival, Celebrate Brooklyn Music Fest, Massachusetts Museum of Contemporary Art, The New York Fringe Theater Festival, Rockwood Music Hall, and the Anfiteatro Luis Muñoz Marín in Puerto Rico.

As lead vocalist, David eases into melodies with great elegance and organic understanding of rhythmic intricacies. Born and raised in Puerto Rico, he was profoundly shaped by its diverse and contrasting influences, which in turn helped guide his world perspective and musical style.

Outstanding reviews of David's most recent original album, 'Calle y Corazón', describe his work as extraordinary. As best noted by the well-known online music magazine, 'Solar Latin Club', "Freyre goes to the essence of salsa, he cultivates it from its roots... his album is a pleasant surprise to the salsa modern world". Just as well, another important online publication 'Salsa con Timba' enthusiastically states that "*Que Rico el Sol [is]* a 100% danceable tune... one of David's remarkable songs that has an old school flavor, while simultaneously carrying a modern and progressive sound, it will surely move people on the dance floors".

Mr. Freyre also has had the great privilege of playing and collaborating with some of the Latin scene greats such as Grammy Award nominated, Juan Carlos Formell, among others. David is musical director of his band, **Paraíso Salsa**, whom he performs with throughout NYC in a variety of concerts and social events including Galas and other corporate celebrations. David looks forward to traveling with his music around the globe and continue making original music.
